

# ORDER FORM / PRICE LIST (Updated May 2026)

Our minimum order quantity is just 10 items across a single character collection. You are then free to re-order as needed at no MOQ for future orders within that collection. (Minimum of 2 units per product required).

**Standard Wholesale (40% Trade Discount)** tier offers a 40% discount on orders, making it easy for boutiques to introduce Wild Home Whimsy into their space and test customer response.

The **Collector Partner Tier (50% Trade Discount)** is available on orders of £1,000 or more. This tier unlocks a 50% discount, along with priority access to new releases and allocation on our most in-demand pieces. Designed for partners who want to fully embrace the limited-edition nature of the brand, it ensures stronger margins and a more exclusive retail offering.
